Dear Sir,

Greetings from **Pratyarpan!**

It has been a great experience to have collaborated with you over the regional level seminar titled "**Women in Leadership: The Unseen Barriers in the Era of Challenging Gender Stereotypes**" organized by **Internal Complaints Committee (ICC)**, Garhbeta College on 27<sup>th</sup> May, 2023 to promote gender equity among the student community.

We look forward to collaborations in future from which our society will be benefitted.

Thanks & Regards,
