❖ Some major objectives of this Webinar:

- i) The thought concept of the term ‘digital divide’.
- ii) A brief view to Digital Divide in Indian and global scenario through this pandemic situation.
- iii) Role of libraries to bridging the gap between information and access.
- iv) To access relevant and authentic information through ICT.

❖ Outcome:

Students, Research Scholars, and Librarians of different academic, public and special libraries have enormously benefited from the theme of this webinar. Through this webinar, some suggestions have been put by the research scholar, respectively:

- I. Using educational resources by the students and faculties through INFLIBNET/any other platform
- II. Uploading previous question papers of university examinations on the college website.
- III. Developing a Digital Repository system consisting of e-books, e contents, e-journals, etc.
- IV. Opening a library portal, if essential.
- V. Providing useful links for open educational resources
- VI. Creating a platform to reach the college library to the students and vice-versa.

All are expected to be benefitted from the above-mentioned facilities by reducing the Digital divide.
